

### HEALTH, SAFETY AND WELFARE POLICY STATEMENT

Marlowe Fire & Security Ltd (05239777) is committed to ensuring the Health, Safety and Welfare of all employees and Contractors who may be engaged to carry out activities on our behalf and any customers or member of the public affected by our undertakings. Marlowe Fire & Security recognises the importance of Health, Safety and Welfare matters and as such, strive to ensure that that they are an integral part of Marlowe Fire & Security' culture with commitment to continual improvement. Health, Safety and Welfare is seen as a key driver with respect to achieving success in our business objectives and the business will never knowingly compromise Health, Safety or Welfare, irrespective of market or business opportunity, Whilst it is recognised that overall responsibility for Health, Safety and Welfare rests with the Chief Executive Officer, practical application of safety responsibilities is entrusted to the Compliance Manager, to provide a working environment, which is safe and has no adverse effect on the health of any person working for or on their behalf.

The main objectives of the Health, Safety and Welfare Policy are:

- To comply with all current and relevant health and safety legislation and subscriptions.
- To prevent and reduce personal injuries to our personnel and those affected by our activities
- To ensure health and safety is applicable to all staff and remains a key management responsibility.
- To allocate sufficient resources, including technologies, to provide and maintain a place of work that is, so far as is reasonably practicable, safe and healthy.
- To ensure that all relevant Health, Safety and Welfare information, instruction and training related to work and responsibilities is communicated to all persons engaged in the operation of Marlowe Fire & Security' undertakings, and to persons using Marlowe Fire & Security premises.
- To ensure that suitable and sufficient systems and procedures are put into place for the safety of all persons at Marlowe Fire & Security premises in the event of an emergency situation.
- To ensure the provision of suitable first aid facilities and the availability of professional medical advice.
- To promote a positive Health and Safety Culture that includes all areas of Marlowe Fire & Security.
- To establish realistic Health & Safety improvement objectives
- To firmly seek involvement and participation from our people to achieve such objectives.
- To continuously improve our safety systems and performance.
- To conform and maintain the Company's OHSAS 18001 accreditation.

The Health, Safety and Welfare Policy and supporting suite of Safety Policy and Procedure documents shall be reviewed regularly, at a minimum of every year or following significant legislative changes, where improvements have been identified or where accident investigation identifies the need. It will be communicated to all staff via company Inductions, websites, Intranet, notice boards and issued to remote personnel. It will be made available to visitors to Marlowe Fire & Security who may use the premises.
