

Meet Josh!

Josh is a Supply Chain Warehouse Operative at Marlowe Fire & Security. He has been at the company for 4 months and is currently on the Level 2 Supply Chain Warehouse Operative Apprenticeship program.

NAME: Josh Rowan

APPRENTICESHIP: Supply Chain Warehouse Operative

LEVEL: 2

Why did you choose an apprenticeship?

“ I chose to do an apprenticeship because I would like to learn on the job and get a feel for what it is like working in a warehouse. I decided to join Marlowe Fire & Security due to the qualification I will receive. I also like the training that Marlowe Fire & Security provides. ”

Can you describe what a typical working week looks like for you?

“ My tutor visits me on a monthly basis. The visit usually lasts an hour and a half, in which we talk about what my role consists of. Marlowe Fire & Security has allowed me to dedicate Fridays to do my coursework and complete the off-the-job hours. ”

Do you feel the apprenticeship has met your expectations so far – both from the program and employee point of view?

“ I feel like my apprenticeship at Marlowe Fire & Security has met my expectations. They are supportive of me on a daily basis, and the work given to me ensures that I can progress on the course. ”

What would you say to someone that is looking to start their apprenticeship?

“ To someone looking for an apprenticeship, I think they should take the opportunity. It will develop their skills and being on the job gives you a better understanding of your learning. ”
